PRESIDENT'S MESSAGE

I have now completed my first year as your President, and take this opportunity to thank you for your confidence in electing me for a further period of two years. During this time I intend to implement many ideas which will put the Soccer Federation into a much more prestigious position where it rightfully belongs.

When first accepting the presidency I was made fully aware of the rift that was prevalent amongst various facets of the game. The mantle of co-operation had been left in tatters after confrontation between certain sections; but I am pleased to be able to say that the thread of common sense and tolerance is slowly but surely repairing the breach. Already we have seen the Amateur Association re-associate with the Federation, and a firm line of communication has been established with that body.

We can, of course, learn from past mistakes. However, it is the future on which we must expend all of our energy. It is imperative that we give the young players of Western Australia every opportunity to stay in the game. We must provide sufficient incentive for them to carry on with their soccer careers in spite of the multitude of alternative entertainments and sports available to them. To this end we have arranged for the State team to play in the Kings Cup in Bangkok later this year. This will be a wonderful experience for our players — the opportunity to compete against international sides drawn from Asia as well as Europe before capacity crowds of 35,000 and upwards. This is surely the dream of every one of our youth players, and would offset current disappointments such as not being part of the Philips Soccer League.

But tours of Asia are not just the prerogative of State teams. Clubs will be encouraged to go as well, so that they may retain the life blood of our soccer, that is our youth.

Many projects are in the offing for the near future. The Federation is instituting the World Cup 82 Club whereby those wishing to may save their money in preparation to attend the World Cup in Spain in 1982.

A Committee has been formed to examine the possibility of Western Australia ever having a club playing in the Philips League.

At long last plans are afoot to provide a stadium built specifically for soccer where 15,000 spectators can watch the game and feel they are part of it.

But nothing will be accomplished unless we all work together and to do that we must trust one another. We must analyse each other's problems so that we may readily understand and appreciate the difficulties we all experience.

No one can help soccer more than soccer people themselves. Our future lies in our own hands. Let's grab it and build it on a foundation of trust, so that it will reach the heights with understanding and tolerance.

In closing, may I say how much I will cherish the kindness and hospitality that has been extended to my wife and I by clubs from every Division. I am deeply grateful for the support and help that has been given by my colleagues on the Executive Board. Their experience and expertise has guided me safely down a path which has not been without its pitfalls. Additionally, the Secretary and office staff have cheerfully given me as much assistance as possible in all manner of things. I wish everyone a successful and happy season.

HANK BEUMER

Hank Beumer was elected to the Executive Board of the Soccer Federation at the 1979 Annual General Meeting.

This culminates a long service to the code. Hank came to Australia in 1950, and that year he played for Shenton Park in the First Division. At the same time he founded Windmills Soccer Club, and in those early years he was Captain, Coach, and President. He spent much of his time involved in the new Club until 1957, when he gave up playing and turned to refereeing for two years.

He then moved to the country to work, for some ten years, and on his return picked up his soccer interests by becoming Treasurer for Morley Windmills, and served on various committees such as the League of Management.

Hank's experience will make him a welcome addition to the Soccer Federation's Executive Board.

Report by Regional Director of Coaching, 1979

Increased interest in coaching was again prevalent in 1979. The Soccer Coaches Assn has played a big part in getting coaching accepted as a worthwhile and necessary occupation. We still have a long way to go before our junior players are taught the basic techniques before being forced into big match competitive situations, but some progress is being made along these lines.

To help people with no background in soccer, or with few ideas on coaching, I have written a book called "Improve Your Soccer" which may be obtained through the Federation Office. I am sure coaches will find this booklet of value to them. Although this assistance is now available, it is important to remember that reading material is no substitute for attendance at coaching courses.

Other areas of activity for 1979 have been as follows:—

Channel 9/Adidas 5-A-Side — Perth

Although only five centres were in operation, approximately the same number of players (750) were in attendance as for 1978. It is a matter of concern that the boys in some centres — because of the numbers involved — are not receiving sufficient coaching and it is hoped to rectify this in 1980.

5-A-Side Coaching Clinic — Bunbury

For the first time we experimented with a country area, and found it a tremendous success. With John O'Connell, now based in Bunbury, running the clinic, it was well supported by young players. The five day clinic started off with 60 players on the first day, but swelled to over 100 on the final day. The participants were charged $1 per day, and another May school holiday activity has now been established.

Coaching Courses

The following courses were held for the year:—

Basic Courses		Preliminary Courses	
Morley	23	Referees	16
Kalgoorlie	8	Rosalie Park	9
Claremont Teachers Coll	37	Bunbury	14
Nedlands College	20	University	30
Mt Lawley College	18	Tuart Hill	7
		Dorrien Gardens	9
	106	Paraburdoo	13
		Newman	8
Senior Course 1978	16	Hampton Reserve	30
Total.... 258			136

Coaching Camps

Three camps were held in the year —

(1) For Under 16 players who attended as "guinea-pigs" for the Senior Course held at the Guildford Recreation Centre.

(2) Town & Country PBS coaching clinic for state junior teams. Selected boys at the under 12, 13, 14 and 15 levels attended a non-residential course held at Walter Road Reserve. In all 70 boys attended and intensive coaching was given to prospective State players. This course was held during the May school holidays.

(3) During September school holidays an experimental course was held based mainly on younger players. I ran this course on behalf of the Coaches Assn and was given every assistance by them by provision of coaches etc. The course was a tremendous success, with 70 — 80 boys in attendance each day — more than half of them under eleven, and the rest aged nine years and under. We were able to give them specific technique coaching as well as assuring that they had a "fun time".

The numbers in attendance at courses was a little down on the previous year. There are two reasons for this; first of all the colleges for whom I run courses had reduced numbers, from 131 in 1978 to 105 this year. Secondly I had a six week trip to Asia on behalf of the Government which obviously cut down on my activities in this area.

I had a concentration of work in country areas which led to Preliminary Courses being run in Newman and Paraburdoo, taking up four weekends. A further Preliminary Course was held in Bunbury. Kalgoorlie had a basic course and a clinic for young players over one weekend.

The Under 18's continue to bolster soccer in Western Australia by their performances in the Eastern States. Having been beaten by the odd goal in the semi finals in 1977 and 1978, they went one better this year and beat N.S.W. in the semi finals and; thus qualified for the final, only to lose to Victoria 3 — 1.

Under Coach Hugh Miller these boys came very close to achieving what has hitherto, seemed impossible - that is win the National Youth

Summary

The big growth in soccer continues. Figures show soccer as being the fourth largest participation sport (as recorded through registered clubs) in Australia. Following closely behind cricket, bowls and football, we are growing faster than any of the major sports. It is important that we assure "quality" stays whilst "quantity" grows.

The achievements of our youth teams show where the future lies, and there is quality which must be maintained at all costs. The growth in popularity will continue now that the grass roots are laid. Let us make certain that we do not get our priorities wrong. Too often we become blase about the development of the game. To quote my favourite saying "The realisation of ignorance is the beginning of knowledge".

R. Tindall
Regional Director of Coaching

W.A. Soccer Coaches Association

During 1979 the Coaches Association held a number of courses, camps and socials for its members, as well as the monthly 5-A-Side meetings. The highlight of the year was the visit by Eric Worthington, National Director of Coaching, for a week in May in which he watched Melville Alemannia play Inglewood Kiev. After analysing the game, Eric coached Melville on the following Wednesday, giving an assessment of the strengths and weaknesses of the team in general, and then showing a programme on how to improve their game. Melville won their next five games! This year we hope to get another top coach from the Eastern States to work with us.

We will be holding our 5-A-Side meetings on the second Monday of each month at Thornlie Oval and Kingsway Reserve on alternative months to accommodate members both North and South of Perth. After these matches we will have films or discussions and coaching sessions.

In March we will be holding what will become an annual event, a Coaching Seminar with State League Coaches putting on sessions, followed by group discussions. This will be a two day seminar.

During October a weekend course will be run in conjunction with the National Coaching Scheme, on Fitness in Soccer.

We shall conduct a Coaching Camp in the May and August school holidays for boys. These are ideal for coaches to gain valuable coaching experience.

Our Annual Coaches v Referees game will be played in October with members only being able to play. We have won the Midland Trophy for the last three years, so this event, you will see, is taken very seriously by all involved.

The Coach of the Year Award will be held in November. Last year's winners were Phil Audrain (Junior Coach) and John Ward (Senior Coach). A change made at the Annual General Meeting was that only members of the Coaches Assn would be elegible for these Coaching Awards. The membership fee was reduced to $5 per member, and country memberships $3 per annum.

John Ward
President

Report by President, Australian Soccer Referees Federation (WA Div.)

When Mr Bert Bruynesteyn left Western Australia in June to live in Queensland, after eight years in the A.S.R.F. (the last three as President), I was co-opted into the vacant position. Over this time I have received tremendous support from the executive and the general committee, and have made some observations not the least of which is the vast amount of correspondence and other work our Secretary (and his wife) have been committed to. I feel we must relieve this workload somehow. The Secretary's public relations job over the recent U/15 National Championships was excellent; he was allocator, active referee, social arranger, and did numerous other tasks; however, any future National contest must be run by an appointed sub-committee — it is too important and far too demanding for one person.

In another area, that of our treasurer, could we think of direct payments to referees at senior fixtures? A little inconvenient perhaps to each referee, but what a saving in time and effort.

Also, with allocations for the Federation's Fourth Division and Metropolitan Leagues, where we have "thrown in" new members, I feel some experience is essential - perhaps we should consider two years of junior refereeing for new members, before doing senior soccer. This system works in New Zealand, and perhaps should be a pre-requisite for Fourth Division.

The presence of our women on the line and as referees is now an accepted fact, and we are very pleased to use their services within their own capabilities and capacities. Our junior referees have also excelled themselves in games and carnivals, and on occasions, on senior lines.

Over this year we have increased our membership from 60 to 86, which includes country members sharing the same benefits; in addition we have 7 non-active members who are assessors, and members of the Examining & Grading Committee. Our members officiate at 46 league and reserve senior matches each weekend, plus, when possible, a further 5 metropolitan league matches. In addition to this we provide officials for the Junior Soccer Assn on Sunday mornings, mostly senior referees for the 14 — 17 age groups, and junior referees for the lower age groups.

My thanks to all the members of the committee who have worked so hard all through the year in all spheres — allocators, junior and senior; treasurer and assistant; secretary and assistant; recorded, E & G Members; lecturers — in fact every person has contributed to his utmost to ensure the successful running of the Federation.

My final thanks to members in general, particularly on the field, where, with rare exceptions, I think you have performed with great merit due to

IF YOUR PLAYERS MISS GOALS
AND THEIR PASSES ASTRAY
IF THEY CANT TAKE CORNERS
OR SIMPLY CANT PLAY,
YOU CANNOT BLAME THEM
FOR THE SKILLS THAT THEY LACK,
SO YOU JUST TAKE IT OUT
ON THE THREE MEN IN BLACK.
BUT ABUSE THEY CAN TAKE
THAT'T QUITE UNDERSTOOD
AND HERE WE CAN PROVE
THEY ARE ALL BLOOMIN' GOOD!

RED ROOSTER ... $15,000

1979 was a year of celebration in Western Australia, as the State became 150 years of age. Up and down the sandgroper country people donned the clothes that had been worn in yesteryears, in homage of the 150 years that had passed.

The Soccer Federation had another cause to celebrate. 15,000 reasons, in fact, as Red Rooster, the locally born fast food outlet chain decided to sponsor the International Football Game to the tune of $15,000 in the first year. It was a milestone in sponsorship, for it was the highest single sponsorship that the Federaton had ever negotiated. Another revolutionary aspect was that it was decided to use the total amount in media advertising to promote the game and the sponsor's product.

It was a daring gamble by the principals, but without doubt it came off in one respect, inasmuch as never before had so much space and time been made available to the Soccer Federation for articles concerning the game.

Red Rooster and Soccer were synonomous when they appeared in the West Australian showing results and tables each week. Reviews and fixtures were given on SixKY and SixPR, with an additional results programme on SixPR. The Top Four was extensively advertised on Channel Nine, and subsequently there was an increase in the gate over any previous year.

And now 1980 looks like being a sure-fire success, as once again Red Rooster back the Soccer Federation and the State League to the tune of $15,000. Mr Peter Kailis, Red Rooster's dynamic Managing Director has come forward with refreshing new concepts which will ensure that the utmost benefit is derived from their substantial sponsorship. It is intended that a Scholarship will be implemented whereby some fortunate young soccer player showing promise will be sent to one of England's top First Division Clubs for a three week period, where he will share all the rigours and enjoyments of training with players of world-wide renown. The aim is to give a young player the opportunity of improving his game, and an incentive for all up-and-coming young players to stay in local soccer.

We know that Soccer gains from Red Rooster sponsorship hard cash, an inestimable amount of publicity, and a high status rating. But what is passed on to the sponsor? What does he get from his generosity? Generally his gain is intangible — any increase in sales of his product could be due to many things. But in 1980, all of our clubs have the opportunity to support Red Rooster — every club in the State League particularly, and in fact, in every division, should think "Red Rooster" first when catering for any functions. Any orders placed with Red Rooster will be of reciprocal benefit for generous discounts are given with all catering orders.

So, support Red Rooster, and by doing so you will be supporting soccer.

Report by President, W.A. Womens Soccer Assn (Inc.)

The 1979 year has ended on a tragic note. Our Association lost two very esteemed members — Anna Senjuschenko and Mrs Joan Smith — both were great ambassadors for womens soccer. As the sun sets each day we will remember them.

I was surprised and alarmed to find that during the 1978 season the Association had expended the funds accumulated for the years 1975/76/77 a total of $3,400. I firmly believe that each season should be administered on the income derived for that season and the surplus funds if any should be transferred to a sinking fund which should be earmarked for a particular project.

Our Association has enjoyed a great season both on the field of play and at administration level culminating in a most enjoyable Presentation Dinner. Financially we had a turnover of over $25,000 which augers well for womens soccer.

The restructure of the league competition into two divisions proved successful and provided a very keen and close competition. The way is now open to us to organise a junior league. The young girls could be trained after school and the competition be played on a Saturday morning.

On behalf of the Association I wish to extend our thanks to the following people for their genuine interest and keen support throughout the season:—

The Amateur Referees Association
Mr Ted Gray and his staff at the Velodrome
Mr Mick Lee, President of the Soccer Federation of W.A. (Inc.)

And last but not least to my Committee for a job well done and to you the clubs for your continued co-operation during 1979.

Peter Dimopoulos
President

Report by President, Junior Soccer Association (Inc.) — 1979

The Junior Association have completed a memorable season in 197, the highlight of the year being the visit of the Malaysian National Schoolboys U/15 team to take part in the Australian U/15 Championships.

Hosting the Malaysian visitors over a two week period was a tremendous task but the amount of preparation work that was done ensured that the visit was a huge success in many ways.

The visit was a mixture of educational content and soccer, culminating in a full International game between Australia and Malaysia. Australia won this game 5 — 1 in convincing fashion.

We were very pleased that Paul Turner the W.A. Captain was selected in the Australian team continuing the lead set by Arthur Sharp, John Spanos and Paul Tombides in 1978 in representing Australia. Congratulations also to Chris Spanos who was selected to represent Australia at the U/16 age group in the Lions City Tournament being held in Singapore Dec. 8th to 23rd when 13 nations will be competing for this trophy.

To round off the honours for 1979 W.A. President Harry Croft was appointed Australian Tour Leader for this prestigious Lions City Cup Competition.

The Junior Association feel that the efforts of many years hard work is paying off and despite lack of numbers compared with the other States we are certainly developing the standard at junior level. Western Australia was represented in all National Championships. In 1979 our best result was in the U/12's where we lost 1 — 0 to N.S.W. in the final. Our other State teams — U/13's, U/14's and U/15's did not do as well as expected but reports indicate that the standard is improving all the time and we are sure we will have more players representing Australia in the near future and better players ready for entering the Federaton competition.

On the local scene the escalating growth of a few years ago has levelled off and we have currently somewhere near 8,500 registered players. The standard of play is improving all the time and this can be seen when watching some of the younger age groups U/11's and U/12's in particular demonstrating skills not previously seen in these age groups.

The improvement is related to the number of people who have seen fit to attend coaching clinics and obtain the relevant coaching certificates. However, we still need more and better coaches to instruct our junior players and we feel sure the Coaches Association and Director of Coaching Ron Tindall, would be thrilled to see many more coaches attend their courses.

We would like to pass on a big thank you to all those devoted people who give so generously of their valuable spare time to coach juniors playing soccer. Thank you also to the W.A. Referees Association who do a great job for the juniors. Your support at the Australian Championships, Country Week, Cup Finals and R & I Finals is greatly appreciated. We hope that your Association will attract more members for 1980 in the hope there will be more referees for junior games than at present. We would like to thank our sponsor the R & I Bank for its magnificent contribution to our Association in 1979. Their assistance ensures that there are appropriate medals at the end of the season for all Cup Finals and R & I Championships.

In closing the Junior Association wish to thank the President Mick Lee and Secretary Ted Gray for all their support throughout the year at various events also the staff at the Velodrome office for their assistance throughout the year.

VISITORS

Norwich City were our first overseas visitors for the 1979 season. They played the State Team on Sunday 13th May, and as our usual venue of Perry Lakes was already booked for another 150th Year Celebration event, we had to look for an alternative ground. Fortunately for us the Cricket Association came to the rescue and allowed us to use the sacred turf of the W.A.C.A., which proved to be an excellent place to stage an International, with first class covered stands for some eight thousand spectators, modern bars and cafeteria facilities.

Norwich came in their famous canary colours of yellow and green when they were sixteenth in the First Division English League, but their lowly position in the league reputed to be the toughest in the world is a very commendable effort. So they were formidable opposition for the Western Australian part timers who met them on a most beautiful day, which should have encouraged the game to be well supported. Unfortunately Norwich were without English World Cup hero Martin Peters and the game was without the support it so richly deserved.

In keeping with most of our International matches, this was an undistinguished affair. Our players did not rise to the heights of immaculate skills, but we did get the anticipated football from the visitors with their verve and professionalism. It was young Justin Fashanu who sealed the fate of Western Australia when he scored two goals for his side. He is one of the many young coloured players now emerging in British soccer in ever increasing numbers. Although the State team strove hard to keep in touch, they were on the defensive for long periods of the play. Captain Steve Sceats was ably backed by Tony Witschge and Keith Jones in a successful endeavour to keep the score down. It wasn't until late in the game that newly capped Graham Cramphorn scored a consolation goal for the State.

In October the Sabah State Football Club came from Malaysia to play games against Gosnells City, East Fremantle Tricolore, and the State U/19 Team. The reputation which preceded them was that they had regular success in their own competition; but they were soundly beaten by each team they played here, and one can only imagine that the uncommonly cold conditions for them had a detrimental effect on their play.

December came, and with it an invitation to have a Yugoslav First Division side, Vardar, here to play against the State Team. When a survey was carried out, it conclusively indicated that if the match was taken we would be assured of a fairly substantial gate, and at least six thousand spectators would attend. Unfortunately people again stayed away in droves, and a paltry 1,800 paying adults were sprinkled over the spacious spectator areas of the Perth Oval. What a shame! Those people who stayed away missed one of the best performances our State team has given for a long time. They carved into the defence of their more experienced opponents, and a game that finished in a 4 — 4 draw could easily have been a well deserved win for the State side.

Into 1980, and another gamble by the Soccer Federation. When offered the famed Red Star Belgrade, a team bristling with International players, and renowned throughout the world as one of the best teams in modern times, what were they to do? After the debacle of Vardar, should they

commit themselves again and chance another game when the crowd might easily be of such lowly proportions as to bring the game into disrepute? It was decided it couldn't happen again. After all, this was the famed Red Star Belgrade, packed with International players such as goalkeeper Stojanovic, fullback Jovanovic, goal scoring centre forward Dusan Savic, Captain and inside forward Vladimir Petrovic, and all led by one of the most honoured and beloved men in European football, Dragan Djajic. But on a beautiful night beneath the improved lighting at the Velodrome, only just over 3,000 adults attended the game.

And Red Star really showed us star quality soccer. Their skilful exhibition of soccer as it should be played was eagerly lapped up by the quality — starved Perth soccer patrons who forsook their local lads to laud the conquering visitors who coasted home by five goals to nil, and in doing so made the Velodrome pitch look like Wembley Stadium.

Their goal scorers were Savic, Stojanovic, Repcic, Filipovic, and Milosauljovic. Although Western Australia could not match the skills of their opponents, they tried hard, and no one was more industrious than Captain Stephen Sceats, who tried hard by example to urge his team on. It must have been disappointing to the team to lose so convincingly after they had played so well against Vardar.

SOLAHART ANNIVERSARY CUP

SOLAHART BRIGHTENS NIGHT SOCCER SERIES

Spearwood Dalmatinac won the inaugural Solahart Night Soccer Series when they beat Inglewood Kiev by four goals to two in the Grand Final at the Velodrome on March 25th.

In doing so they made a start to one of the most impressive and successful seasons ever had by any club in Western Australia. They managed to get into the final of every competition open for Federation teams, and at the same time took off the State League Championship. But more about that on other pages.

Solahart became sponsors at very short notice, the agreement only being entered into just two or three weeks before the kick off of the competition. It would seem that their sponsorship had laudible success, for the gates were up by ten percent over all on the previous season, and this must be attributed to the substantial and sustained advertising that was undertaken by Solahart throughout all the media.

As the competition commenced, the favourites were probably those four teams who eventually made the Top Four. Kingsway Olympic and Spearwood Dalmatinac had only a few months earlier fought out the League Championship. Perth Azzurri always a force to be reckoned with, and Inglewood Kieve, as usual promising much on paper. It would take time to see if their promise would eventuate into success.

As the first round finished it was East Fremantle Tricolore who looked as though they may cause an upset, as they trampled all over the luckless Forrestfield, and notched up the highest win of the first round when they won by five goals to one.

The enigma of a team, Floreat Athena, caused consternation among the clubs. They lost to lowly Forrestfield by three - nil, and then went on to convincingly defeat Spearwood and Kiev by 4 — 1 and 3 — 0 respectively.

The rules concerning draws had been retained, as the shoot out certainly gave the goalkeepers more chances of saving, and caused some excitement and entertainment for the spectators. Six games went into shoot outs, including the final, when Kiev and Kingsway, after being locked in a three-three draw, resorted to shoot outs, and Kiev were the fastest on the draw and converted two of their chances, while their opponents could only manage one.

The total number of goals scored were up on the 1978 series, when from all preliminary matches 96 goals were scored, while the number netted during the 1979 series was 110. Inglewood Kiev scored the most. They hit the back of the net 21 times. Only a few players were involved in Kingsway's 19 goals, and sixteen were shared by Bill Murray and Nick McCallum, who were also top individual scorers with eight apiece.

Highest win or loss (depending on the side you were on) was when Kingsway Olympic beat Gosnells City by eight goals to nil, and the terrible twins Murray and McCallum each had a hat trick.

When the night of the final arrived, Dallies were probably the favourites, as Kiev had struggled to reach the Grand Final. They had lost to Spearwood Dalmatinac in the semis, and had only just managed to beat Kingsway on shoot outs in the final.

So it was a confident Spearwood Dalmatinac team who took the field, and also took the game to their opponents right from the first whistle, and a very exciting match ended in triumph for the favourites when they won four — two. Fidoe scored two, Smerilli and Snell one each. Ripley and Davidson replied for Kiev. It was a well deserved win for Dalmatinac, and the large crowd showed their appreciation as Stephen Snell, Captain, collected the Cup from Fraser Moodie, Manager of Solahart.

RED ROOSTER TOP FOUR CUP

KINGSWAY COP THE LOT

Would Dalmatinac win the third leg of the Grand Slam? That was the burning question uppermost in everyone's mind as the semi finals started for the Red Rooster Top Four Cup, 1979.

In the first semi, Perth Azzurri met Inglewood Kiev at Perry Lakes, and in a real humdinger of a game, the Sky Blues were victorious by five goals to three. Pye 2, Gangemi 2, with the other one by Captain Eric Marocchi for the win, and Lee Adam, Pat Deller, and Derek Henderson found the net for Inglewood Kiev.

Spearwood Dalmatinac, it was rumoured, were still suffering from their celebrations of their mighty League victory, and they certainly played as if it was true. They were no match for a confident Kingsway Olympic in the second semi final, and the "Green Machine" won the game through a goal by diminutive Len Dundo. So the league champions were forced to play again in the preliminary final. By that time they had recovered their composure, and had little trouble in defeating a disjointed Azzurri team. Frank Smerilli scored twice, and dashing Dave Fidoe sealed the fate of Azzurri, who were unable to reply.

So we were back to the situation where you could be forgiven for thinking you had seen it all before. Once again Dalmatinac and Olympic would be facing each other to decide a critical competition.

The Grand Final was a hard bruising game, played before a fairly large crowd at Perry Lakes. Kingsway Olympis settled down much more quickly, and played the more constructive soccer. It was no surprise when David, in the form of Lenny Dundo, escaped the attention of Goliath Robin Witschge, and slotted the ball past the groping hands of Tony Witschge into the Dallies goal. Late in the second half that great trier, Stephen Snell, scored one of his long range efforts, and the game now went into extra time.

Bill Murray, who had spent most of the game on the substitute bench put Kingsway back into the lead again in the first half of extra time, and then, as the game was drawing to a close there was an alleged hand ball by Stephen Sceats totally unseen by any of the match officials, but it was sufficient to make a section of the crowd erupt and invade the restricted areas of the ground and adopt threatening attitudes so that the safety of the referees was endangered.

But as the game came to a rather chaotic close, Kingsway Olympic received the first Red Rooster Top Four Cup from Mr Peter Kailis, Managing Director of our sponsors, Red Rooster.

RED ROOSTER STATE LEAGUE

DASHING DALLIES DESERVEDLY TRIUMPH

Third in 1977, second in 1978, and at last, top in 1979. So Spearwood Dalmatinac, after a period of building and consolidation saw the fruits of their labours realised as they drew 2 — 2 with arch-rivals Kingsway Olympic in the last game of the season, and so win the championship by two clear points.

There had been a dramatic confrontation between the same two clubs at the end of the 1978 season when Kingsway Olympic beat Dalmatinac by five goals to two, and so won the League Championship that year on goal average. So it was sweet revenge for the Spearwood side and a very jubilant team celebrated their success after the final match.

Kingsway Olympic was second in the league but it was Perth Azzurri who had set the pace throughout most of the season. They were unbeaten until they met Kiev on June 2, after eight games had been played. At this stage Azzurri had an enviable record. They had scored sixteen goals for just seven against, and were fighting to maintain their position. They regained the lead after thirteen games had been played, but relinquished it back to Spearwood the very next week when they went down to Kingsway Olympic by three goals to nil. A draw against Inglewood Kiev and an inexplicable loss to Gosnells City in the last match of the season sealed their fate and the best they could manage was third place.

been much higher than fourth place until with three games to go they surged into second place to become contenders for top honours.

Inglewood Kiev never took over the lead at any time and were always around about fourth place which is where they eventually finished. In fact the lead was only shared by three clubs throughout the season — Dallies, Azzurri, and, for a brief golden moment, Forrestfield, who won their first game against East Fremantle Tricolore. Gosnells City had a short spell of glory when they went five games undefeated, but after that the rot set in and a series of losses and draws saw them fighting for survival and glad to finish in sixth position.

Tricolore had a fair season, but some internal coaching problems didn't help their talented side to maintain its potential and they finished in fifth place.

Stirling Cracovia suffered some heavy defeats throughout the season and their against goals were the highest in the league having fifty scored against them. This was rather misleading, because in Pietraszewski, Szczyglak, and Brysiak they had some of the most skilful and experienced players in the league, and they finished in seventh position, and probably happy to be one jump above the relegation zone.

Floreat Athena, who only two short years ago were acclaimed league champions, had gone almost through the whole gambit. They struggled to avoid the dreaded drop, and just made it when they were six points above Morley Windmills, and four points ahead of Forrestfield, who finished ninth. Even the expertise of Reg Davies could not inject into Forrestfield Utd any confidence after Ascot's amalgamation with Kalamunda Utd.

A disastrous season by Morley Windmills saw them eventuall succumb to relegation to the Second Division.

But Spearwood Dalmatinac were worthy winners. Ivan Pikl their Coach had welded a well disciplined side together, and when you know the extroverted natures of players like the Witschge brothers, McNally and Snell, you will realise it was no mean feat for the club officials to lead the team into victory. The club also provided the State League's leading goalscorer in David Fidoe, who netted thirteen times which gave him the prize of $500 from Red Rooster.

So what a wonderful year for Spearwood Dalmatinac. First winners of the Night Soccer Series, and now League Champions, with a chance to go on to take all four major Western Australian Soccer Competitions.

Spearwood Dalmatinac's captain Neil Hardy and President Ivan Petkovic receive the Red Rooster State League Shield from Red Rooster's Managing Director Peter Kailis.

U/17 LEAGUE & CUP

TERRIFIC TEENAGERS

One of the most constructive moves made by the Soccer Federation was when they inaugurated the U/16 League in 1975, which developed into the U/17 League as we know it today. Benefits of the League are beginning to show through. Many teenage boys have progressed up through the League and are commanding regular first team places in State League club sides.

Tony Falcone and Peter Gangemi of Azzurri; Trevor Pearson of Gosnells; Brad Holden of Kiev; Stephen Callaghan and Arthur Sharp, Paul Tombides and Ian Sinclair, all at Kingsway Olympic; just some who have been through the U/17 League sides and are now stars in their own right. There are many more on the sidelines ready to step in as soon as chances arise.

Kingsway Olympic won the U/17 Championship in 1979, and they must feel it gets harder every year. From the winners down to ninth position there was never much in it, and although they beat Azzurri by three clear points, Azzurri's goal record would indicate how close it must have been — fortyone for, and only fourteen against. They also provided the highest indivdual scorer in young Joe Rossi whose tally was thirteen. He was followed by Gosnell City's Trevor Pearson, with eleven.

In one of the closest competitions for a long time, Kingsway finished first, followed by Azzurri, Gosnells, and East Fremantle Tricolore in that order, and these are the clubs that went on to battle out the Top Four Coca Cola Cup.

Gosnells City met East Fremantle Tricolore in the first semi final, in a rough hard game that saw frayed tempers and traumas with the first result being decided by penalties. Hard to believe, but those accomplished young soccer players made a hash of the dead ball kick. Gosnells missed every one of theirs, and although Tricolore only converted two, it was more than enough to take them into the next round.

Kingsway Olympic met Perth Azzurri and won comfortably by three goals to nil, and eased their way into the Grand Final, while the losers had to meet East Fremantle Tricolore in the preliminary final.

Azzurri proved to be far too strong for Tricolore, and won at a canter by goals from their hot shot trio, Rossi, Stewart and Izzo.

The scene was set for a great game on Grand Final Day, and so it turned out to be. What a pity there aren't more people to watch these skilful and enthusiastic youngsters.

In a game that was to end with exciting duels between some of the stars of tomorrow, finally Kingsway Olympic gained the ascendency and scored through Neil Blunt for the only goal of the match, which made them worthy winners of a very handsome trophy.

SECOND DIVISION

MACEDONIA MAKE IT

After being so close to promotion over the past three years West Perth Macedonia finally made it when they won the Second Division Championship. Under the generalship of Ernie Hannigan who had recruited around him some wise and skilful veterans, the club came through with a remarkable record of only one loss and three draws, and thirtynine points out of a possible fortyfour.

Strangely enough the lead was only shared by two clubs, the eventual winners and Kwinana Utd who had done so well for the first twelve games and had 22 points out of 24. Then they had a run of seven games from which they only managed to pick up five points.

North Perth Croatia had an excellent season. Without going into the transfer market either locally or overseas their coach David Harrison, an old State player, did a fantastic job in taking them into second place.

Osborne Pk Galeb improved to fill fourth spot, whilst Rockingham Utd never did anything great, and seemed quite happy to coast along as long as they did not sink into the dangerous area of relegation.

West Perth Macedonia coach Erie Hannigan and Club Official John Angelides proudly receive the Second Division Championship shield from Federation President Mick Lee.

Melville Alemannia improved on their last year's position by finishing sixth, as opposed to ninth. Canning Corinthian hardly improved at all — they finished with 18 points, the same as last season.

Kelmscott slipped back a bit, but when they move to their new complex, which will have one of the best soccer venues in the State, I'm sure it will instill enough enthusiasm to make Kelmscott one of the best clubs in the Federation.

Cockburn really slipped down from third position last year to ninth spot in 1979. Bayswater Utd also had a bad year, barely escaping relegation which fell to the two teams who were only promoted last year, Perth City and Lathlain Meazza.

It seems remarkable that in one year two teams can be at the top of the Third Division, and then deteriorate so as to be unable to survive in a competition which is only slightly higher.

But Macedonia Utd deserved their promotion into the State League. They play some of the most immaculate soccer seen in any Division, and it is refreshing to see a team attempting to play soccer instead of relying on the heavy boot. Macedonia also provided the highest goal scorer of the Second Division in Paul Middleton who demonstrated his shooting ability by beating the opposing goalkeepers on thirtythree occasions.

Archie Van Dongen of North Perth Croatia won the Fairest & Best Player Award, closely followed on points by Kwinana Utd's Graham Cramphorn, who was also the runner up in the goal scoring.

THIRD DIVISION

CALEYS CONQUER

Bassendean Caledonian, one of the oldest clubs in Western Australia, look as though they may be on their way to restore some of their past glory when they were one of the strongest teams in the State. Promotion into the Second Division this year, coupled with the completion of their club rooms at Jubilee Reserve, will go a long way to putting them back at the top again.

Most of the season Caledonian had battled with East Perth Vardar for supremacy in the league. First one then the other would take command at the top, and it wasn't until the very last game of the season that the League was decided, with one game to go, East Perth Vardar were on 32 points to Caleys 31. For their last matches of the season both teams were playing sides who had little interest in promotion, but Bedford Utd, Caley's opponents, were dangerously near the relegation zone, so Vardar had the slightly harder game. And so it proved, for they suffered a 4 — 2 defeat, while Caleys managed to scrape home b 2 goals to 1 and so take off the championship.

Vardar's record must be given mention here. They came into the Federation's fourth division as a late inclusion in 1978. They won the league that year by two points from Graylands. To now gain promotion to the Second Division within two seasons is a feat that they can surely be proud of. Can they emulate the record of Azzurri, who in the 1950's made an unprecedented rise from Third Division to First Division within two seasons?

Sorrento made a valiant but vain effort to get back into the Second Division, and finished a creditable third. Swan Athletic showed signs of re-emerging by holding fourth position, and also providing the highest goal scorer in the league in Tom Waddle, who put away 23 goals.

Northlands, after their amalgamation with Tuart Hill improved their showing over last year by achieving three places higher on the table. Jim Larkin's Greylands (who have since changed their name to Nedlands City) wont be happy to stay in the third division. Having gained promotion from the fourth last year, he would have been looking for a better placing than sixth.

Queens Park probably created something of a record. Out of their twenty league games they drew exactly half, and must have been very close to attaining a much higher place than seventh.

Subiaco City, who destroyed Vardar's championship hopes didn't do too well, but may improve this year when they return to their old playing arena, Rosalie Park.

University, of course, fluctuate their position every year. Their team depends greatly on the students available on the campus, and there are so many other activities going on for them it must be desperate to the officials who have the responsibility of preparing teams.

Bedford Utd was involved in a controversy and only managed to avoid relegation when Belmont Cloverdale forfeited a game to Swan Valley on default. They place an unregistered player and the loss of two points and goals was just enough to seal their doom to the Fourth Division.

Swan Valley were rooted at the bottom of the table and only managed to accumulate three points. Two of these were from the game forfeited by Belmont. So we saw the relegation of two of the most esteemed clubs in W.A. Soccer history — Swan Valley, who had only a few years ago been a First Division side, and Belmont, who have produced so many junior players who have gone on to play in first division sides.

FOURTH DIVISION

WANNEROO WINS

Wanneroo made their mark in the Federation Leagues in their first season. Newly promoted from the amateur ranks they showed their metal throughout the season by only losing one match, and that was to the weakest team in the league, Rosemount Juventus, who were subsequently denied reaffiliation because of their continued low position in the Fourth Division. It must have been a shock to high-flying Wanneroo to suffer such a defeat.

Balga, who were promoted to the Third Division with Wanneroo gave them a hard battle throughout and it was no doubt Balga's loss on 17th June at home to Bunbury City turned the tide in Wanneroo's favour. To clinch it, Balga went on to lose the last match of the season to Bunbury again, by four goals to nil.

Bunbury City who created history by being the first country club to participate in the Federation's League system did remarkably well to finish third. Their travel in kilometres must have been fantastic, for every other week their teams would have to make a ground trip of 346 km to play their away games. Bunbury City also supplied the highest goal scorer in Stephen Rogers, who netted twentysix times.

Dianella JUST finished in fourth position and would possibly have done better if their spectators and players could have controlled their actions during matches. It's a terrible shame, for they are a skilful side,

Fourth Division's Kensington Viola caused a shock upset in the D'Orsogna Cup when they ousted Rockingham Utd who were 1978 finalists. Here is Viola's goalkeeper Milan Milanovich in action during that game.

and the last thing they need now is to resort to rough or dirty play.

The rest of the Fourth Division played to expectations, although one would have thought that Whitford City could have done better than finish bottom but one. As has already been said, Rosemount Juventus were not accepted as members for 1980, and in consequence they have amalgamated with Meazza to become Rosemount Meazza.

METROPOLITAN LEAGUE

KINGSWAY'S CUP FOR KEEPS!

For the third time in succession Kingsway Olympic won the Metropolitan League. Harry Trandos, sometime player and sometime secretary, was a happy man as he received the trophy for the third time.

Kingsway Olympic won it handsomely too, for there were ten points the difference between them and their nearest rival, Forrestfield, closely followed by West Perth Macedonia who only got the lower position on goal average.

The League seems to have gained some popularity, for more teams than ever have sought to enter during the coming season.

RESERVATIONS

East Fremantle's reserve side came into prominence in the 1976 season when they won the Reserve League of the First Division; in 1977 they were runners up to Kingsway Olympic; in 1978 they won from Olympic; and in 1979 they were top once again, and there's no prize for guessing who were the runners up. Right! It was, of course, Olympic.

North Perth Croatia reserves just oudid their senior team when they won the Second Division Reserve Trophy. The League team missed out winning their trophy by two points, but in the reserves it wasn't even close — Osborne Park Galeb were ten points behind at the end when they finished second.

Sorrento led the way home in the Third Division Reserves, closely followed by Subiaco City. Third Division champions Bassendean Caledonian had their team right behind in the honours stakes when the fought their way into third place.

Balga reversed the position with Wanneroo in the Fourth Division reserves; they took the honours by two points, with Kalamunda in third spot.

Once again there has been some excellent competition soccer in all the reserve divisions throughout the Federation in 1979. The value of the Reserves is no doubt hard to measure but as a vehicle to bring on young players and to get fit those who are not so young, it must be first class, and a feature that will have to be retained for a long time to come.

1980 B.C.

For many years 1980 will be remembered for the visit of Bobby Charlton, that respected and loved veteran of British Soccer who came here for just three weeks, and captured the hearts of all who met him. Bobby came under the auspices of Solahart, our night series sponsors; the Soccer Federation; and Perth Azzurri Soccer Club, all of whom had to put up certain sums of money to make the visit possible.

His visit was sectioned into three different categories — public relations for the benefit of our sponsors; public relations for the benefit of soccer; and playing for Perth Azzurri. Without a doubt he excelled in every aspect. His performance at shopping centres throughout the metropolitan area was admired by all those who had anything to do with the organisation; he was patient and unstinting in his efforts to promote the sponsors product. At the same time by word and deed he extolled the virtues of the game of soccer at several sales seminars and other functions on behalf of Solahart.

For the Soccer Federation he visited schools, social events such as a luncheon with the Lord Mayor of Perth, the Royal Perth Hospital (to see a young, sick soccer player), and he also went to shows at the Concert Hall. Because of his name and personality he was introduced by Max Bygraves, and later Danny La Rue, to Concert Hall audiences, which, in effect, was promotion for the night soccer series particularly, and for soccer as a whole. He attended Rotary luncheons as guest speaker, and wherever he went he was greeted by people who knew him for his exploits in the soccer world, and were proud to greet him as a friend. On the night he attended the Max Bygraves' show, he must have signed as many of Max's recordings as Max did himself.

What did he do for Azzurri? Well, they lost two game out of the three he played in, but it was easy to see that the old magic was still there. In the first game against Azzurri's traditional rivals, East Fremantle Tricolore, he played in his usual No. 9 shirt, and some of his skilful touches were a joy to behold. But his presence seemed to have a revitalising effect on his opponents, as they played magnificently to win by three goals to one.

Azzurri next played Gosnells City, and Bobby brought the crowd to its feet when he scored Azzurri's third goal in their three — one win.

Everyone was hoping to see a vintage Charlton in his last appearance against Kingsway Olympic, but it was not to be. He saw little of the ball, and it was impossible for him to acquit himself as he badly wanted to; he did, however, electrify the crowd when, early in the first half, he won possession near the half way line, outstripping the youthful Kingsway defence, and scored a brilliant goal past the advancing Willie McNally. Kingsway went on to win that game by four goals to one, with Paul Tombides scoring two goals and playing as though he himself was a international star.

Bobby Charlton also attended functions put on by the Perth Azzurri Club including a boat trip to Fremantle, a dinner with officials, and a farewell dinner dance on the Saturday preceding his departure.

Sometimes legends fail to measure up to their names when met in the flesh, but this cannot be said about our guest, who for a brief time graced our local competition. Bobby Charlton is a player who is a gentleman, and a gentleman who is a player.

Bobby, thanks for coming!

32 year old Vince Alcock was a popular choice when voted Rothmans Gold Medal Winner in 1979. Manchester born Vince has been in Western Australia since 1974, when he came from New Zealand as an Amateur to play for Floreat Athena.

THE ROTHMANS GOLD MEDAL

Popular Vinnie Alcock won the Rothmans Gold Medal for 1979 when he polled 54 votes and just pipped Azzurri's midfield dynamo Alan Pye by two.

The first games in the 1979 season on 31st March gave no indication of the ultimate result. Alcock didn't gain a vote in his club's nil-nil draw with Kingsway Olympic, and Pye only picked up one from the coach when Azzurri played Spearwood Dalmatinac and won by the only goal scored in that match. The only two players throughout the league to get maximum points were John Davidson and Jim McNeilly, full back of Spearwood Dalmatinac. However, it is then interesting to note the consistency of the top players. Vince Alcock polled in every match except the 1st, 6th and 16th, although the sixth game played on May 19th saw him out with an injury.

Alan Pye didn't miss a match during the season, and his black day to register no votes was the first week of the secret counting. He was just four points behind at this stage, and coincidentally Azzurri were opposed to Athena, so the two top contenders were about to clash, and that game could be all important to either one of them, or both. Although Azzurri won an exciting game by four goals to three at Dorrien Gardens, it was Alcock who picked up two votes to take him six points ahead.

It mustn't be thought that it was just a two horse race, as John Davidson was polling well, and at the end of public counting was on 33. Kingsway Olympic's captain Stephen Sceats was also on 33, while young Steve McCreanor was even in front of Alan Pye at this stage, but unexpectedly didn't play another League game in 1979 and consequently didn't improve his position. Richard Brysiak, the impeccable Polish player, had polled 30, and could improve his position for he was playing well.

So now we came to the big night, August 31. Channel 9 Studios was packed with stars and dignitaries of the local soccer world, our sponsors, and the guest of honour was the Deputy Premier, Mr Des O'Neil. An expectant hush fell over the gathering as Bob Nicholls, of the Commonwealth Electoral Office prepared to open the sealed envelopes and supervise the counting of the last four weeks of voting. In the first two weeks checked Vince Alcock received just two votes, while in the same period Pye picked up a maximum which brought him level on 43. The tension in the studio became quite dramatic as the third week's figures were brought to light. John Poleykett went to 30, John Davidson to 37, Pye got four votes and lead with a total of 47. Vince Alcock got five and went one ahead, and now it depended on the last week. Pye could still do it.

Perth Azzurri played Gosnells, and lost one — nil. Floreat Athena played at home to Forrestfield Utd, and managed a three-three draw. Pye's performance netted him five votes, and he was then on 52, but Alcock's performance won him the maximum, and enabled him to be the ninth recipient of the much coveted Rothmans Gold Medal Award for Soccer's Fairest and Best, in our Sesqui-Centenary Year, 1979.

D'ORSOGNA CUP 1979

TRICOLORE TRIUMPHS

Preliminary Round

The D'Orsogna Cup kicked off for the 19th time when the preliminary round was held on 31 March. Forty teams took part including four from country areas. There were no unexpected upsets during this round. Albany beat Bunbury City three — nil; Kensington Viola's five — two win over Balga was a surprise to everyone, especially Balga; and Second Division Bayswater Utd notched up seven goals to the South West Association's two. Cockburn Utd travelled to Merredin, and must have trained well, for they arrived on time, lined up their shots, and put eight past the goalkeeper who must have been almost stationary.

First Round Proper

Now all the State League teams joined in, and a feature of this round was the closeness of the games between some of the lower divisions and big brother. First shock out of the bag was 4th Division Dianella JUST's win over Gosnells City, and this must have caused red faces at Thornlie Oval, as the jubilant Sunday side left the ground after their victory.

Kensington Viola's win at Rockingham was another one for the history books, whilst Cracovia's win at Dorrien Gardens against Azzurri must have been an upset to the sky blues. Albany scored five with no reply from Wanneroo; and East Perth Vardar frightened Morley Windmills by holding them to a three — three draw, and just succumbing to the odd penalty. Caledonians worried Kingsway Olympic by losing with a narrow margin of the one goal.

Second Round

Giant killers West Perth Macedonia from the Second Division downed State League Forrestfield Utd; Bayswater beat Morley Windmills one nil; and Cracovia were still going strong when they ousted Floreat Athena by a goal from Ted Migas. Albany travelled to Perth and beat gallant Kensington Viola by seven goals to two. Spearwood Dalmatinac and East Fremantle Tricolore both breezed through to the quarter finals by winning their games 3 — 0 against Inglewood Kiev and Perth City respectively.

Quarter Finals

Macedonia had marksmen Paul Middleton and Skippy O'Callaghan to score the goals that put them through to the semi final when they beat Cracovia by two goals to one — Cracovia's being scored by big Gary Williams. Tricolore had little difficulty in dispensing with Kwinana Utd when they won three — nil through goals by Cole, Blackmore and Smith.

Once again Dalmatinac and Olympic fought it out, but this time the Dallies had the edge and won three — one.

Albany carried on their merry way when they added to their already considerable goal tally by beating Bayswater Utd five — one.

Semi Final

I think everyone was expecting Albany to get a real hiding from Dalmatinacs, their State League champion opponents, but Albany were not over-awed by the occasion, and everyone in the large crowd in the stadium were stunned into silence as the countrysiders took the lead with brilliant goals by Marshall and Thornby. But what was more astonishing,

they were playing the Dallies with all the aplomb and skill of a championship side. However, eventually hard work and sheer professionalism brought the State League side through to level the score, and then to go on and win four — two. But nobody could take away from Albany their pride in coming so close to shaking the soccer world.

The other semi final was without the emotional fervour that was evident in the one just described, and East Fremantle did a workmanlike job in defeating Macedonia by two goals to one.

GRAND FINAL

Mr D'Orsogna must have felt quite at home as he was introduced to the two teams from the Fremantle area, and the large crowd was expecting some fireworks in a match which could almost be termed a local derby. But the Dallies had been under considerable pressure of late — they had just missed out on the Top Four Cup, and had had a hard and hectic, albeit successful, season.

But they went out trying all they knew to at least win one more trophy. However, they had no answer to the Tricolore goals scored by Phil Cole, Alf Blackmore, and Andy Godfrey who netted twice. Steve Snell's one goal reply on behalf of Dallies was all but perfunctory, and it was the Fremantle club who carried the trophy back to their premises in triumph for the second year in succession.

MR D'ORSOGNA talks to some ball boys just before the 1979 D'Orsogna Cup Final, won by East Fremantle Tricolore from Spearwood Dalmatinac 3 goals to one.

RESERVE CUP

KIEV CAPTURES CUP

For the first time in a few years, the Reserve Cup Final was an all State League affair.

Inglewood Kiev had got there by beating Kingsway Olympic four — two; and East Fremantle Tricolore had put it over North Perth Croatia by three goals to one.

On the great day, both teams professed to have only the bare minimum of players to field a side. This seemed no exaggeration when Tricolore were seen to have Johnny Molineaux in goal. But Kiev proved to be the stronger side and two goals scored by Alan Deans and Bill Beatty were too many for the Tricolore side who could find no way to reply.

U/17 CUP

Forrestfield Utd's Under Seventeens showed their seniors the way to progress in the competitions. They won the U/17 Cup by three goals to one when they beat Inglewood Kiev. Forrestfield's goals came through Rountree, and two substitutes, Harper and Bowman who came on and each banged in a goal to clinch the cup for the team. Kiev's goal was scored by Lyall.

It is a pity there are not more clubs involved in this competition, and it might be an idea to invite the country areas to participate, to give it a bit more variety. The Under 17's must be sick and tried of each other, as they meet constantly throughout the season, in three different competitions.

METROPOLITAN CUP

For the first time a Metropolitan League knock out Cup was played at the end of the season.

Cockburn Utd met West Perth Macedonia in the final and were a much superior side to win by five goals to one.

LOWER DIVISIONS TOP FOUR CUP

This competition was revived after a lapse of one year. Certainly it proved successful as far as the players involved were concerned, but there were never as many people watching as expected.

DIVISION II

Osborne Park Galeb, Kwinana United, West Perth Macedonia, and North Perth Croatia were the ones to make the top four, and it was eventually the Second Division champions and Croatia who played out the Grand Final. It was a hard bruising match, which referee Van der Reest did well to control, finally going to North Perth Croatia, who won two goals to one, the goals being scored by Miller and Strafela.

Trevor Davies, Macedonia Striker, soars above the two North Perth Croatia players to score Macedonia's long goal when they lost the Grand Final of the Second Division's Top Four Cup.

DIVISION III

Sorrento, Swan Athletic, Bassendean Caledonian, and East Perth Vardar were the clubs making up this quartet. Swan Athletic knocked Sorrento out in the first semi, and Vardar went straight to the Grand Final when they beat Caledonians. Swan Athletic forced their way in to the Grand Final at the expenses of Caledonians, and then we saw Vardar too strong for their opposition, running out winners by the only goal scored.

DIVISION IV

Bunbury City did well to reach the top four in the first year they entered the Federation Leagues, but could not go past Dianella JUST, who beat them by two goals to one in the first semi final. Wanneroo was

too good for Balga in the other semi final, winning two goals to one. And the final between Balga and J.U.S.T. went Balga's way by four goals to two. When they went on to play the grand final against Wanneroo, Balga never played up to their potential, and a goal by Kevin Winstanley was not sufficient to better Wanneroo's two goals scored by their captain Mike Quayle, and the other by Mal Smith.

Lower divisions top four are scheduled again this year, and will probably be played on a suitable second division ground complete with club house and full amenities.

The Village Gate

$2000 SOCCER AWARDS

Perth's leading male fashion house "The Village Gate" of Wanamba Arcade, Hay St. Mall has again increased its sponsorship to local soccer. This season the awards cover all four divisions, with prizes as follows:

1st Div. $1000.00 ($500 cash and $500 clothing)
2nd Div. $500.00 ($250 cash and $250 clothing)
3rd Div. $300.00 ($150 cash and $150 clothing)
4th Div. $200.00 ($100 cash and $100 clothing)

Voting through the season will determine the winners, and a table will be published, with a "weekly league ladder" in the Sunday Independant to keep all players and soccer followers up to date.
One special Trophy award "The Village Gate Player of the Year" will be announced at the end of the season.

Tony, Chris and Mike felt that last season had a lack of spectator support, and being in Men's Clothing know how important the "feed-back" is to keep necessary parties interested.

We feel sure that 1980 will be a successful, more exciting year, and wish Administration, Players and Spectators alike a good season, and look forward to seeing you in the store.

Regards,
Tony, Chris and Mike

The Village Gate wishes all clubs, players and followers a successful season and looks forward to seeing you in the store.
